Act on the Legal Personality and Partial Tax Exemption of the Integrated Carbon Observation System European Research Infrastructure Consortium (ICOS ERIC) in Finland
(1393/2015)

By decision of Parliament, the following is enacted:

Section 1

The Integrated Carbon Observation System European Research Infrastructure Consortium (ICOS ERIC) is a legal person, as referred to in the Council Regulation (EC) No 723/2009 on the Community legal framework for a European Research Infrastructure Consortium (ERIC), and has legal capacity in Finland. The Consortium may acquire, own and dispose of immovable, movable and intellectual property, conclude contracts and be a party to legal proceedings.

Section 2

ICOS ERIC is exempt from value-added tax under the conditions and restrictions laid down in the Statutes of ICOS ERIC in force when setting up ICOS ERIC.

Section 3

Provisions on the entry into force of this Act are issued by government decree.
